NO. PWRS/E-1551/2007

Date: 27/07/2022

NOTIFICATION

The Governor of Arunachal Pradesh is pleased to issue this notification for Compulsory use of only LED Base Street light and High Mast Lights in the state of Arunachal Pradesh which have following advantages:

- Very long life
- Reduced Maintenance costs due to long life time.
- Do not contain toxic chemicals like mercury.
- No warm up needed (no time delay to reach optimum brightness levels).
- No production of ultraviolet light (which is what attracts insects).
- Useful for directing light on specific areas since they produce "directional" light.
- High colour index, providing bright true colours during night time hours.
- No glare effect reducing visual fatigue
- It saves nearly 53% of energy over conventional street lights.

Henceforth, only LED based Streets lights and High Mast lights will be used in the state by all the Govt. Departments and public to mitigate the climate change and save energy for a resilient society.

This notification is issued as an outcome of Pakke-Declaration for compliance.
